Is your child curious? Do they like to be outdoors?

At Wild Wednesdays Summer Day Camp your child will explore wildlife, plants and conservation in a hands-on manner. Activities for each day usually include hiking, exploring, games, crafts, and sharing time (parents invited).

“Campers” should bring a sack lunch. A snack is provided. Children are grouped by age, 10-15 per instructor.

Our theme is READING THE LAND with a focus each month on a different habitat	<p><i>“Reading the Land” – Look for clues and learn about the relationship between the land and its inhabitants (both wild and human!)</i></p> <p>June 23: Wetlands July 21: Forests August 18: Fields</p>
TIME:	9:00 AM – 3:00 PM (rain or shine)
FEE (per day):	\$20 (\$5 discount for Howard Christensen Nature Association members. Visit www.kentconservation.org/hcnc for form and info.)
AGE:	5-12 years old

Registration is limited. Registration and payment is due one week before each camp. Please call with questions.

For each camper complete a separate enrollment form and submit with payment to address above.
